

# Streamline communications with your students & faculty

Education and training providers use mass SMS and voice broadcast to make communication with students, parents and faculty easier, quicker and more streamlined. From student announcements, to absentee notices and appointment reminders, AutoCast by [Chorus Call Australia](#) provides the perfect solution to your communications needs.

- **Send instant alerts with bulk SMS**  
Use SMS to send grade reports, absentee notifications, fundraising announcements, event updates and more
- **Broadcast emergency announcements**  
Voice broadcast is more efficient than emailing or hand dialing when you need to get an urgent message to students and their parents
- **Increase parent/teacher attendance**  
Remind parents to attend parent/teacher evenings with SMS reminders and automate your RSVP process
- **Streamline internal communications**  
Whether you're sending staff announcements, substitute teacher requests or emergency alerts, automated broadcasting makes faculty communication easier
- **High volume capacity:**  
Our system has the capacity to send up to 240 messages per second
- **Answering Machine Detection:**  
Our system will detect answering machines and automatically leave a message or hang up the call
- **Full reporting and analytics:**  
Access detailed analytics and post-call reports for your records
