CHORUS CALL®

Get instant access with Diamond Pass

Gather real time detailed registration information and eliminate conference call wait times.

SECURE CALL PRE-REGISTRATION

Participants pre-register for your conference via a secure unique conference registration link.

Pre-call Reporting allowing you to see who has registered to join your event.

CALENDAR INVITES

Diamond Pass sends participants Microsoft calendar invites with their unique pin number for added security.

Seamlessly integrate your brand within Diamond Pass's customisable calendar invites.

INSTANT JOIN TO CONFERENCE CALL

No waiting for operator to take participants' information and join to conference.

As participants are required to enter their own details, you eliminate operator error and are guaranteed accurate post call information.
